Min Grade Authorized:	O-1
Army MOS Criteria:	72A67, 72B67, 72D67, or 72E37 (72B67, 72D67, 72E37 require NGB Surgeon Approval)
Air AFSC Criteria:	43Y, 43EXA/EXH, 43HX, 43MX, 43TX (43EXA/EXH, 43HX, 43MX, and 43TX require NGB Surgeon Approval)
Security Clearance:	SECRET
Unit/Duty Location:	84th Civil Support Team (WMD), Cheyenne, WY
Female Asg Elig:	Females are eligible to apply
Nominating Official:	MAJ Christopher Troesh, Commander, 84th CST

2. This position is open to all current members of the Wyoming Air or Army National Guard or those eligible to join or transfer to the Wyoming Air or Army National Guard..

3. All applicants must submit to the Human Resources Office (HRO) all of the documents listed under the "Instructions for Applying" section. Individual must possess a SECRET clearance prior to submitting application package to HRO, or must obtain a TOP SECRET clearance within one year from date of selection. Failure to obtain or maintain a TOP SECRET clearance may result in removal from the AGR program. Must meet eligibility criteria as prescribed in NGR 600-5 and AR 135-18. Must meet any special requirements as specified in the Job Vacancy Announcement.

4. Applicants meeting the stipulations contained in "Instructions for Applying" and "Special Requirements" must successfully complete the OSHA HAZMAT physical examination, a pulmonary function test and physical activities test in Level A PPE administered by the 84th CST prior to being qualified for an interview by the selection board. Required testing is conducted by the 84th CST the day prior to interviews. Current and previous CST personnel with a verification statement certifying the applicant has met these requirements within the last 36 months and who

satisfy the stipulations contained in ‘Instructions for Applying’ and ‘Special Requirements’ are considered CST qualified and eligible for the interview process without being re-tested.

5. This position will be filled as soon as possible after closing. The Adjutant General retains exclusive appointment authority of AGR personnel. No commitment will be made to any applicant prior to a review of qualifications by the Human Resources Office. All notifications of selection are conditional until verification of security clearance, medical clearance, and approval of HRO Form 100 determinations have been completed by HRO (Policy Memorandum 12-40 Employment of Relatives within the Wyoming Military Department).

BRIEF POSITION DESCRIPTION

- Chief Scientist on the team, responsible for analyzing samples utilizing GCMS, FTIR, MIM, Spectroscopy, Microscopy, PCR, Etc.
- Provides timely and accurate analysis of substances to civilian responders on scene.
- Responsible for ensuring alternate analysts are proficient on all pieces of analytical data.
- Responsible for providing guidance and advice to the Incident Commander on a variety of health related issues involving the affected population when requested.
- Acts as a resource for the Incident Commander or other DOD response elements on the effects of a potential spread of the causative agent on the population.
- Provides advice on methods to control the affected area and begin or cease quarantine procedures.
- Relay concerns about the protection of food and water supplies and identifies procedures to safeguard these resources.
- Advises the Incident Commander and health care administrators on procedures to protect healthcare workers both at the incident scene and in the supporting health care facilities.
- Conduit for the information collected by the survey reconnaissance team and from other sources and translates the data for the Incident Commander.
- Provides recommendations based on the survey reconnaissance team’s findings.
- Acts as a resource for additional reach back DOD medical capabilities.
- Required to live within 45 min of Cheyenne WY.
- The Civil Support Team requires approx 50% Travel.
- Performs other duties as assigned.

TRAINING REQUIREMENTS

Unit members will be required to participate in an extremely rigorous training program. This training will occur in various school environments, both military and civilian, throughout the country. This duty position will require at least 800 hours of technical training above and beyond any MOSQ/AFSC, NCOES, or Officer professional development schools to become basic qualified. Ongoing education will be required to obtain intermediate and advanced level by job description. Applicants must seriously consider the implications of these requirements and the necessary commitment prior to applying
